Our recommendations eliminate the guesswork, allowing you to easily find the best hotel for your unique preferences.

The largest room block is at the **Voco Hotel**, meaning most attendees and our Classy team will be staying here. This hotel offers views of the Chicago River and skyline. Situated at the intersection of downtown and the West Loop, this hotel provides an opportunity to get the blood flowing during a ~15-minute walk to the Collaborative venues.

I love the vibrancy of the big city, but crave a neighborhood feel.

Check out the **Hyatt House West Loop**! Nestled amidst the trendiest restaurants and shopping in the West Loop, this option is also a ~15-minute stroll from our main venues and allows you to soak in the energy while escaping the sounds of the nightlife.

I want the quintessential Chicago experience!

The Hyatt House Magnificent Mile is situated near all the famous architecture and shopping Chicago is famous for. Enjoy stepping outside into the hustle and bustle of the vibrant city.

FAQs:

Q: Can I reserve a room at the hotel if I miss the Collaborative discount cut-off date?

A: Absolutely. While discounted rates are available to our attendees until April 10, 2024, or until the room block is sold out, the hotel may still have available rooms. We recommend booking as soon as possible to secure your discounted Collaborative rate.

Q: I don't see a discount code for all the hotels listed.

A: Collaborative by Classy has room blocks at three Chicago hotels, but plenty of other options are listed above, depending on your preferences.
